ALL-NEW EVEREST

ford.com.my Go Further

TAKE ON ANY TERRAIN

READY FOR THE EVERYDAY OR THE EPIC

No matter where you go, in the Everest, the world is yours to explore. The Everest helps you tackle any surface, on or off-road, at the turn of a dial. **Terrain Management System** lets you shift-on-fly to maximize traction and stability for greater control when travelling.

Sand Glide through sandy surfaces with increased accelerator sensitivity and aggressive wheelspin.*

Mud, Grass or Gravel From muddy tracks to slippery surfaces, this mode gives optimized traction and control.*

Rock Conquer extreme off-road terrain. Choose this mode to keep 4WD in first gear for superior control.*

CONTROL YOUR WORLD

With technology intuitive to your needs, life is now easier. The Everest sensors and radars work with you, so you can simply enjoy the drive.

The SYNC™ 2 voice activation system is all ears.*

Call family and friends just by saying their name.

Ask it to read out incoming texts.

Play music the way you like.

All with your hands safely on the wheel and your eyes on the road. Plus, its 8 inch touchscreen, two USB ports, SD card slot and AUX port make it easy to view and use multiple devices.

Thanks to the high-tech, easy-to-read dual TFT instrument cluster display, everything from performance to entertainment is right in front of you on low-glare, high-quality flat screens.*

FEATURES THAT HAVE YOU COVERED

Protection is key to peace of mind. **Seven airbags and ultra-high strength steel** provide a network of protection with front seat driver and passenger airbags and seatmounted side airbags. Side-curtain airbags provide protection for people in the front and the back. There is even an airbag for the driver's knee.

Reverse with confidence with a full and clear vision of what's behind you on the **Rear View Camera** and the sound of the rear parking sensors alerting you of any obstacles.*

LOAD CARGO AND JUST GO

Leave nothing behind but the well-traveled path. The Everest's interior is designed to get you and everything you need from point A to point B capable and efficiently.

Switching between cargo and people is easy thanks to the Everest's 2^{nd} row 60/40 split seat and 3^{rd} row 50/50 split seat.

Find some extra space at the press of a button. The **electric PowerFold 3rd row seat** folds flat to give you a stable surface. With the 2nd row folded down as well, there's an amazing 2010 litres of stowage.*

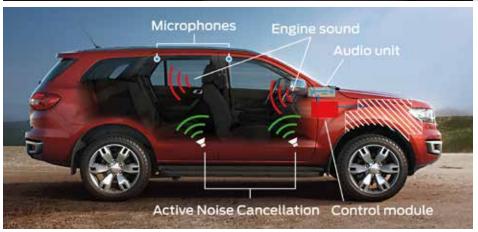

TRAVEL FIRST CLASS **EVERYWHERE**

Looking for elevated luxury? The Everest's **seven leather upholstered seats** - with a 8-way power driver's seat with manual lumbar support - provide premium comfort for the ultimate riding enjoyment wherever you find yourself.

Inspired by the popular noise cancelling headphones, the Everest's **Active Noise Cancellation** uses three highly sensitive microphones to detect and measure engine noise, then cancels it using opposing sound waves.

MEETS EXCEPTIONAL EFFICIENCY

Elevate your expectations for an SUV. The Everest packs impressive power you can rely on without compromising fuel efficiency all while a **sleek aerodynamic design** delivers greater fuel savings. No journey is too far.

An extra 10PS of power and 10Nm of torque give our 2.2L TDCi engine more power than ever. If you're after the super powerful 3.2L, then you'll be happy with the extra kilometres built into its fuel economy.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Optional equipment. Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. Note. Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respected. In addition, some of the features shown on the vehicles may be optional. Note. This brochure contains both original Ford accessories as well as a range of carefully selected products from our suppliers, which are featured under their own brands. All supplier branded products are subject to warranty terms defined by the relevant suppliers and do not lie within the responsibility of Ford. Note. The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence.
